

FLOYD

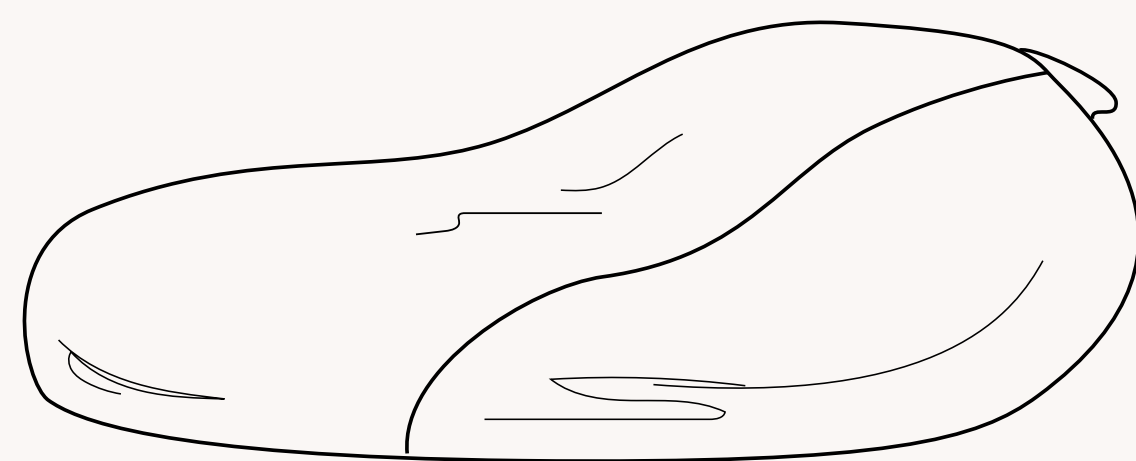

How to Assemble:

The Squishy Chair

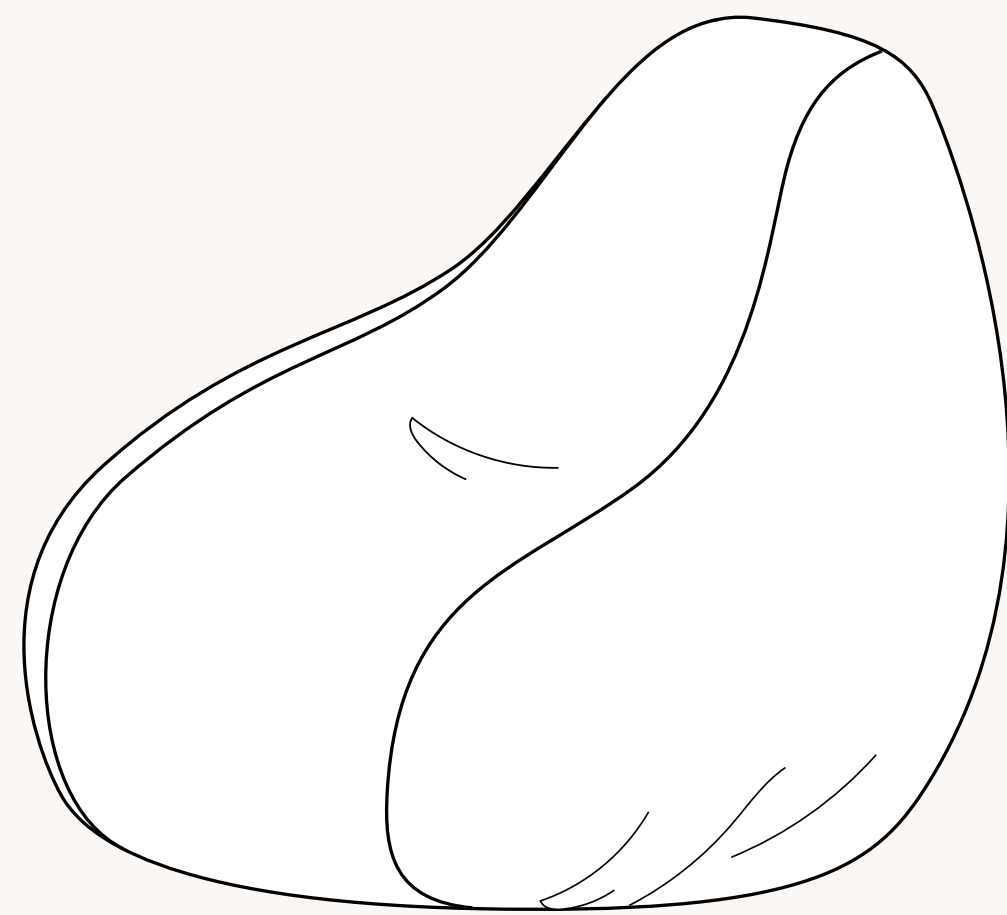

FLOYD

Components

1x Fabric Cover

1x Pillow Insert

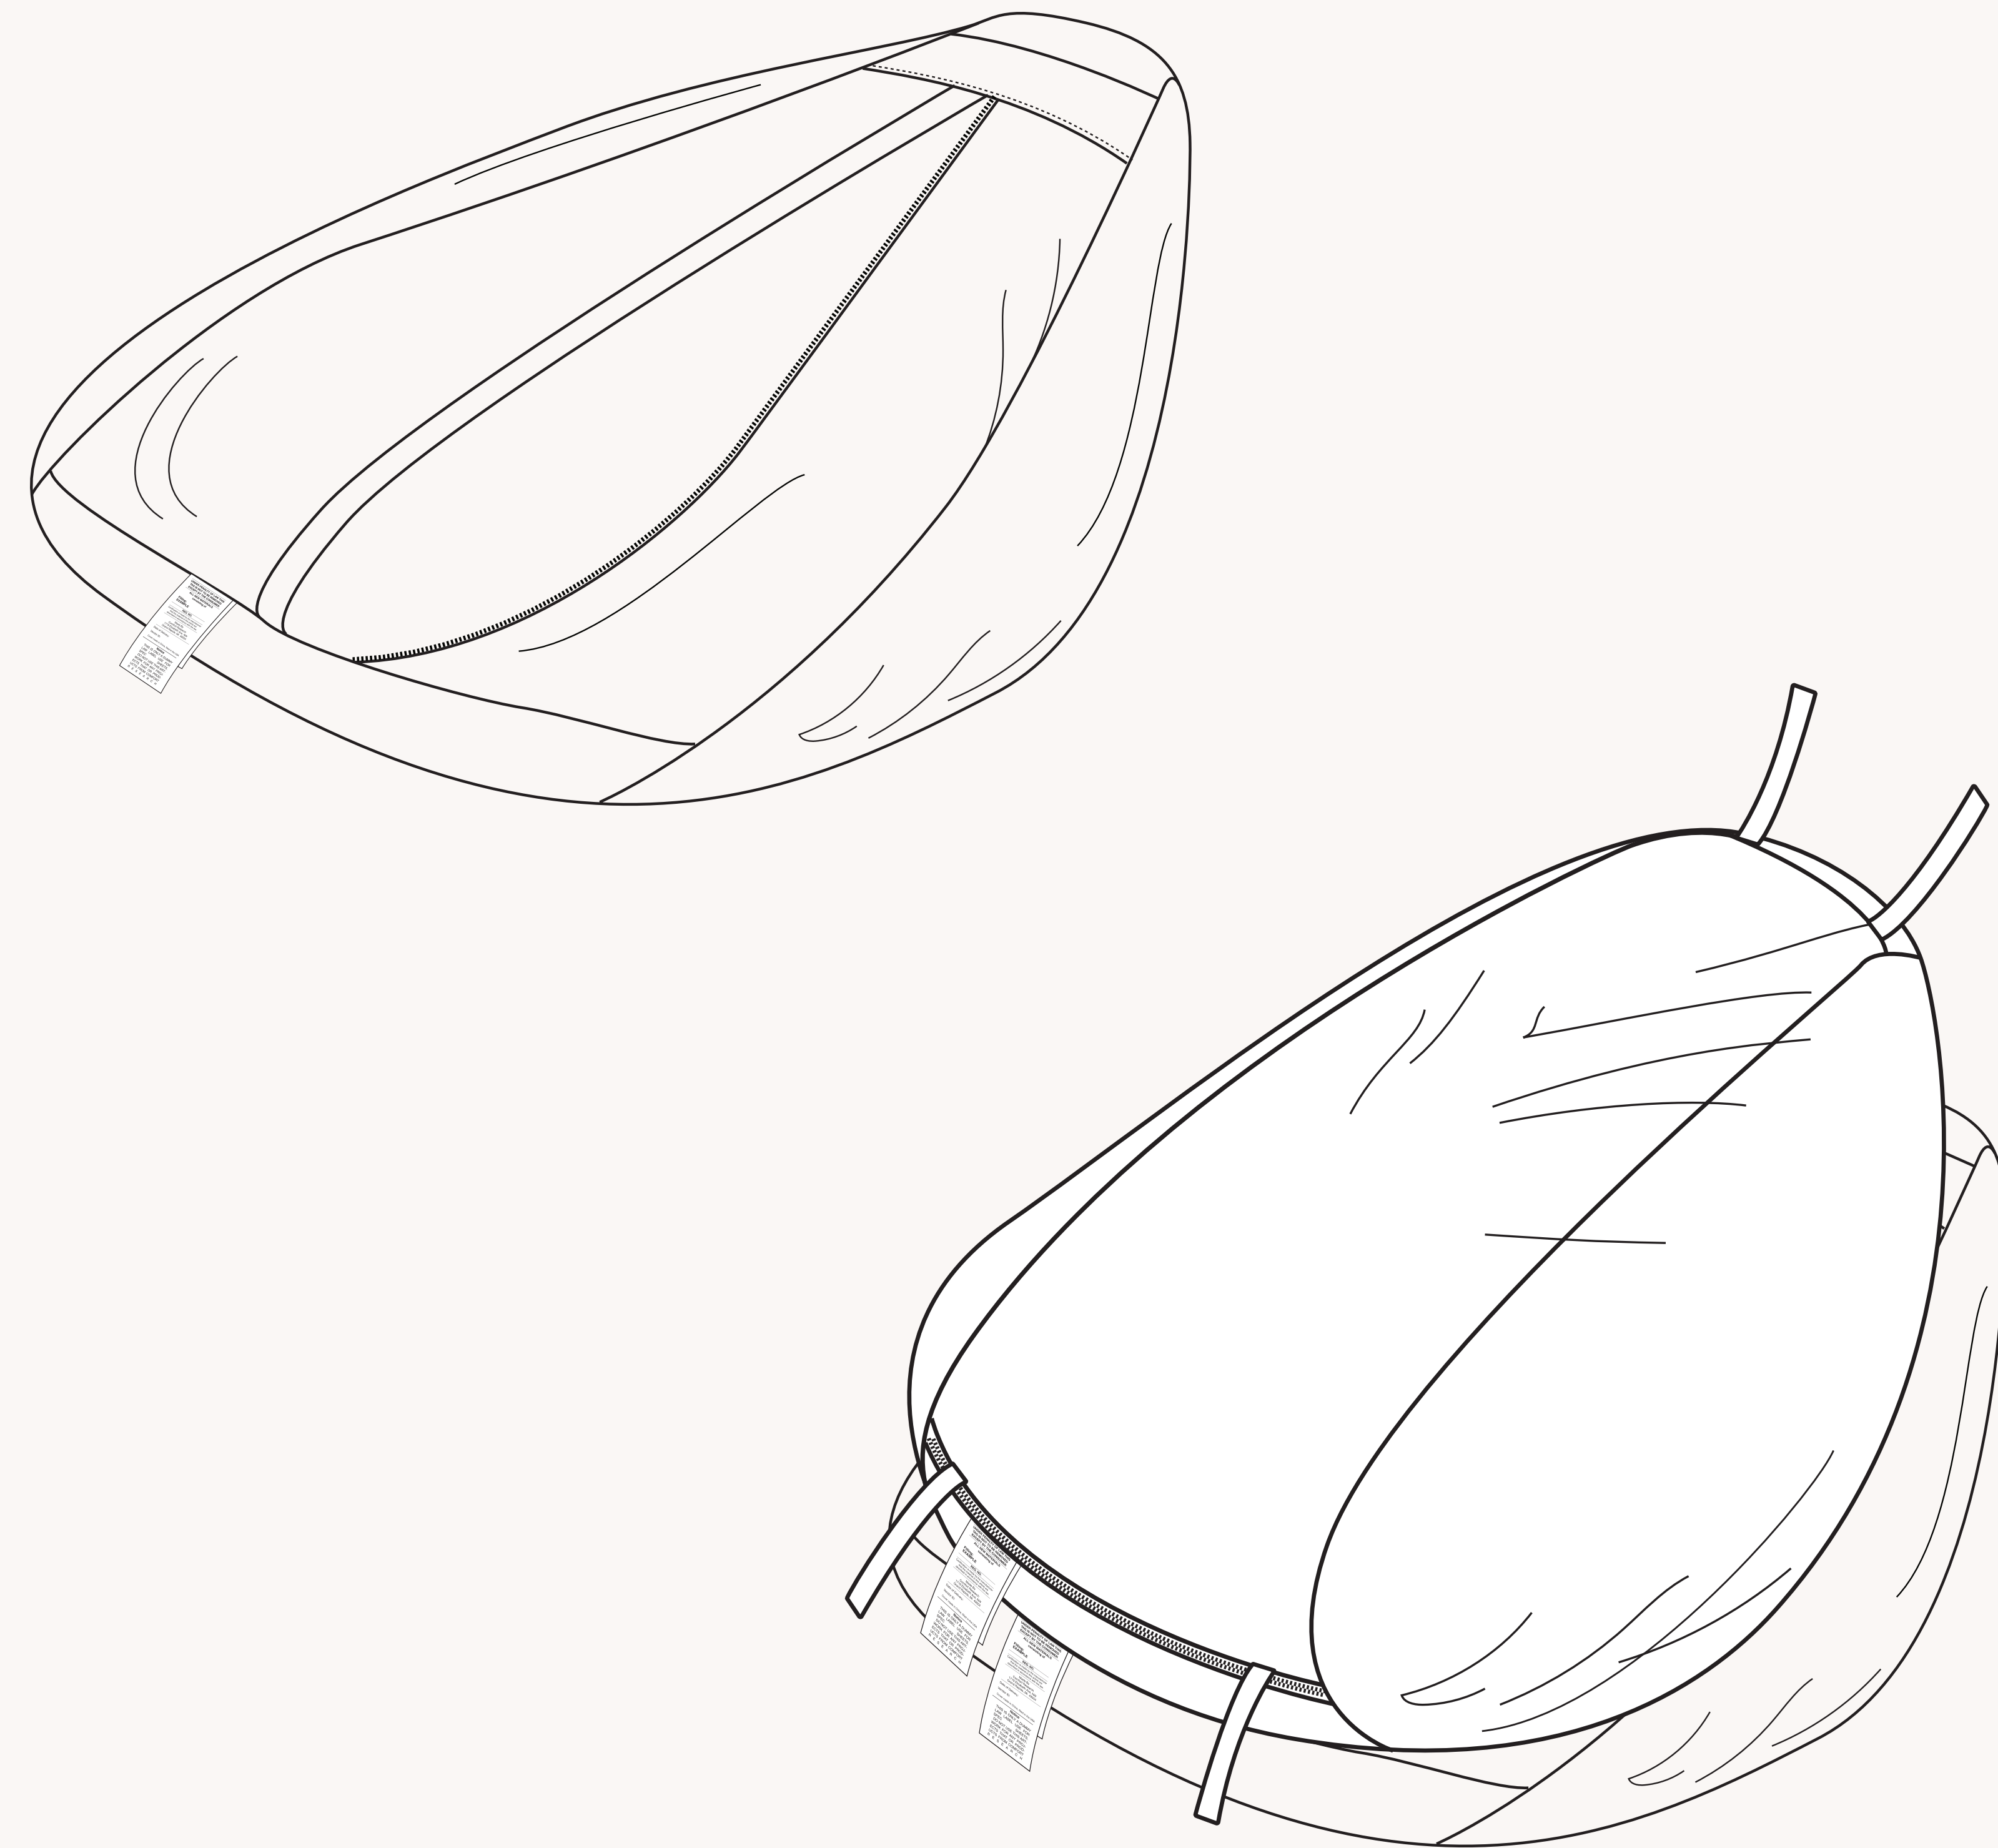

Pro Tips

- Assemble the chair immediately after opening. When the foam in the pillow is not fully expanded, it is much easier to fit the insert into the cover.
- Get a friend to help! It will make the assembly of your chair much easier.
- Make sure you check the orientation of the insert and cover carefully in the following illustrations.
- While inserting the pillow, try to align the matching seams of the insert to the corresponding seams of the fabric cover.
- Lightly shake and adjust as you go to fill in empty spaces and get a good fit. Allow 3-7 days for the foam to fully expand once assembled.

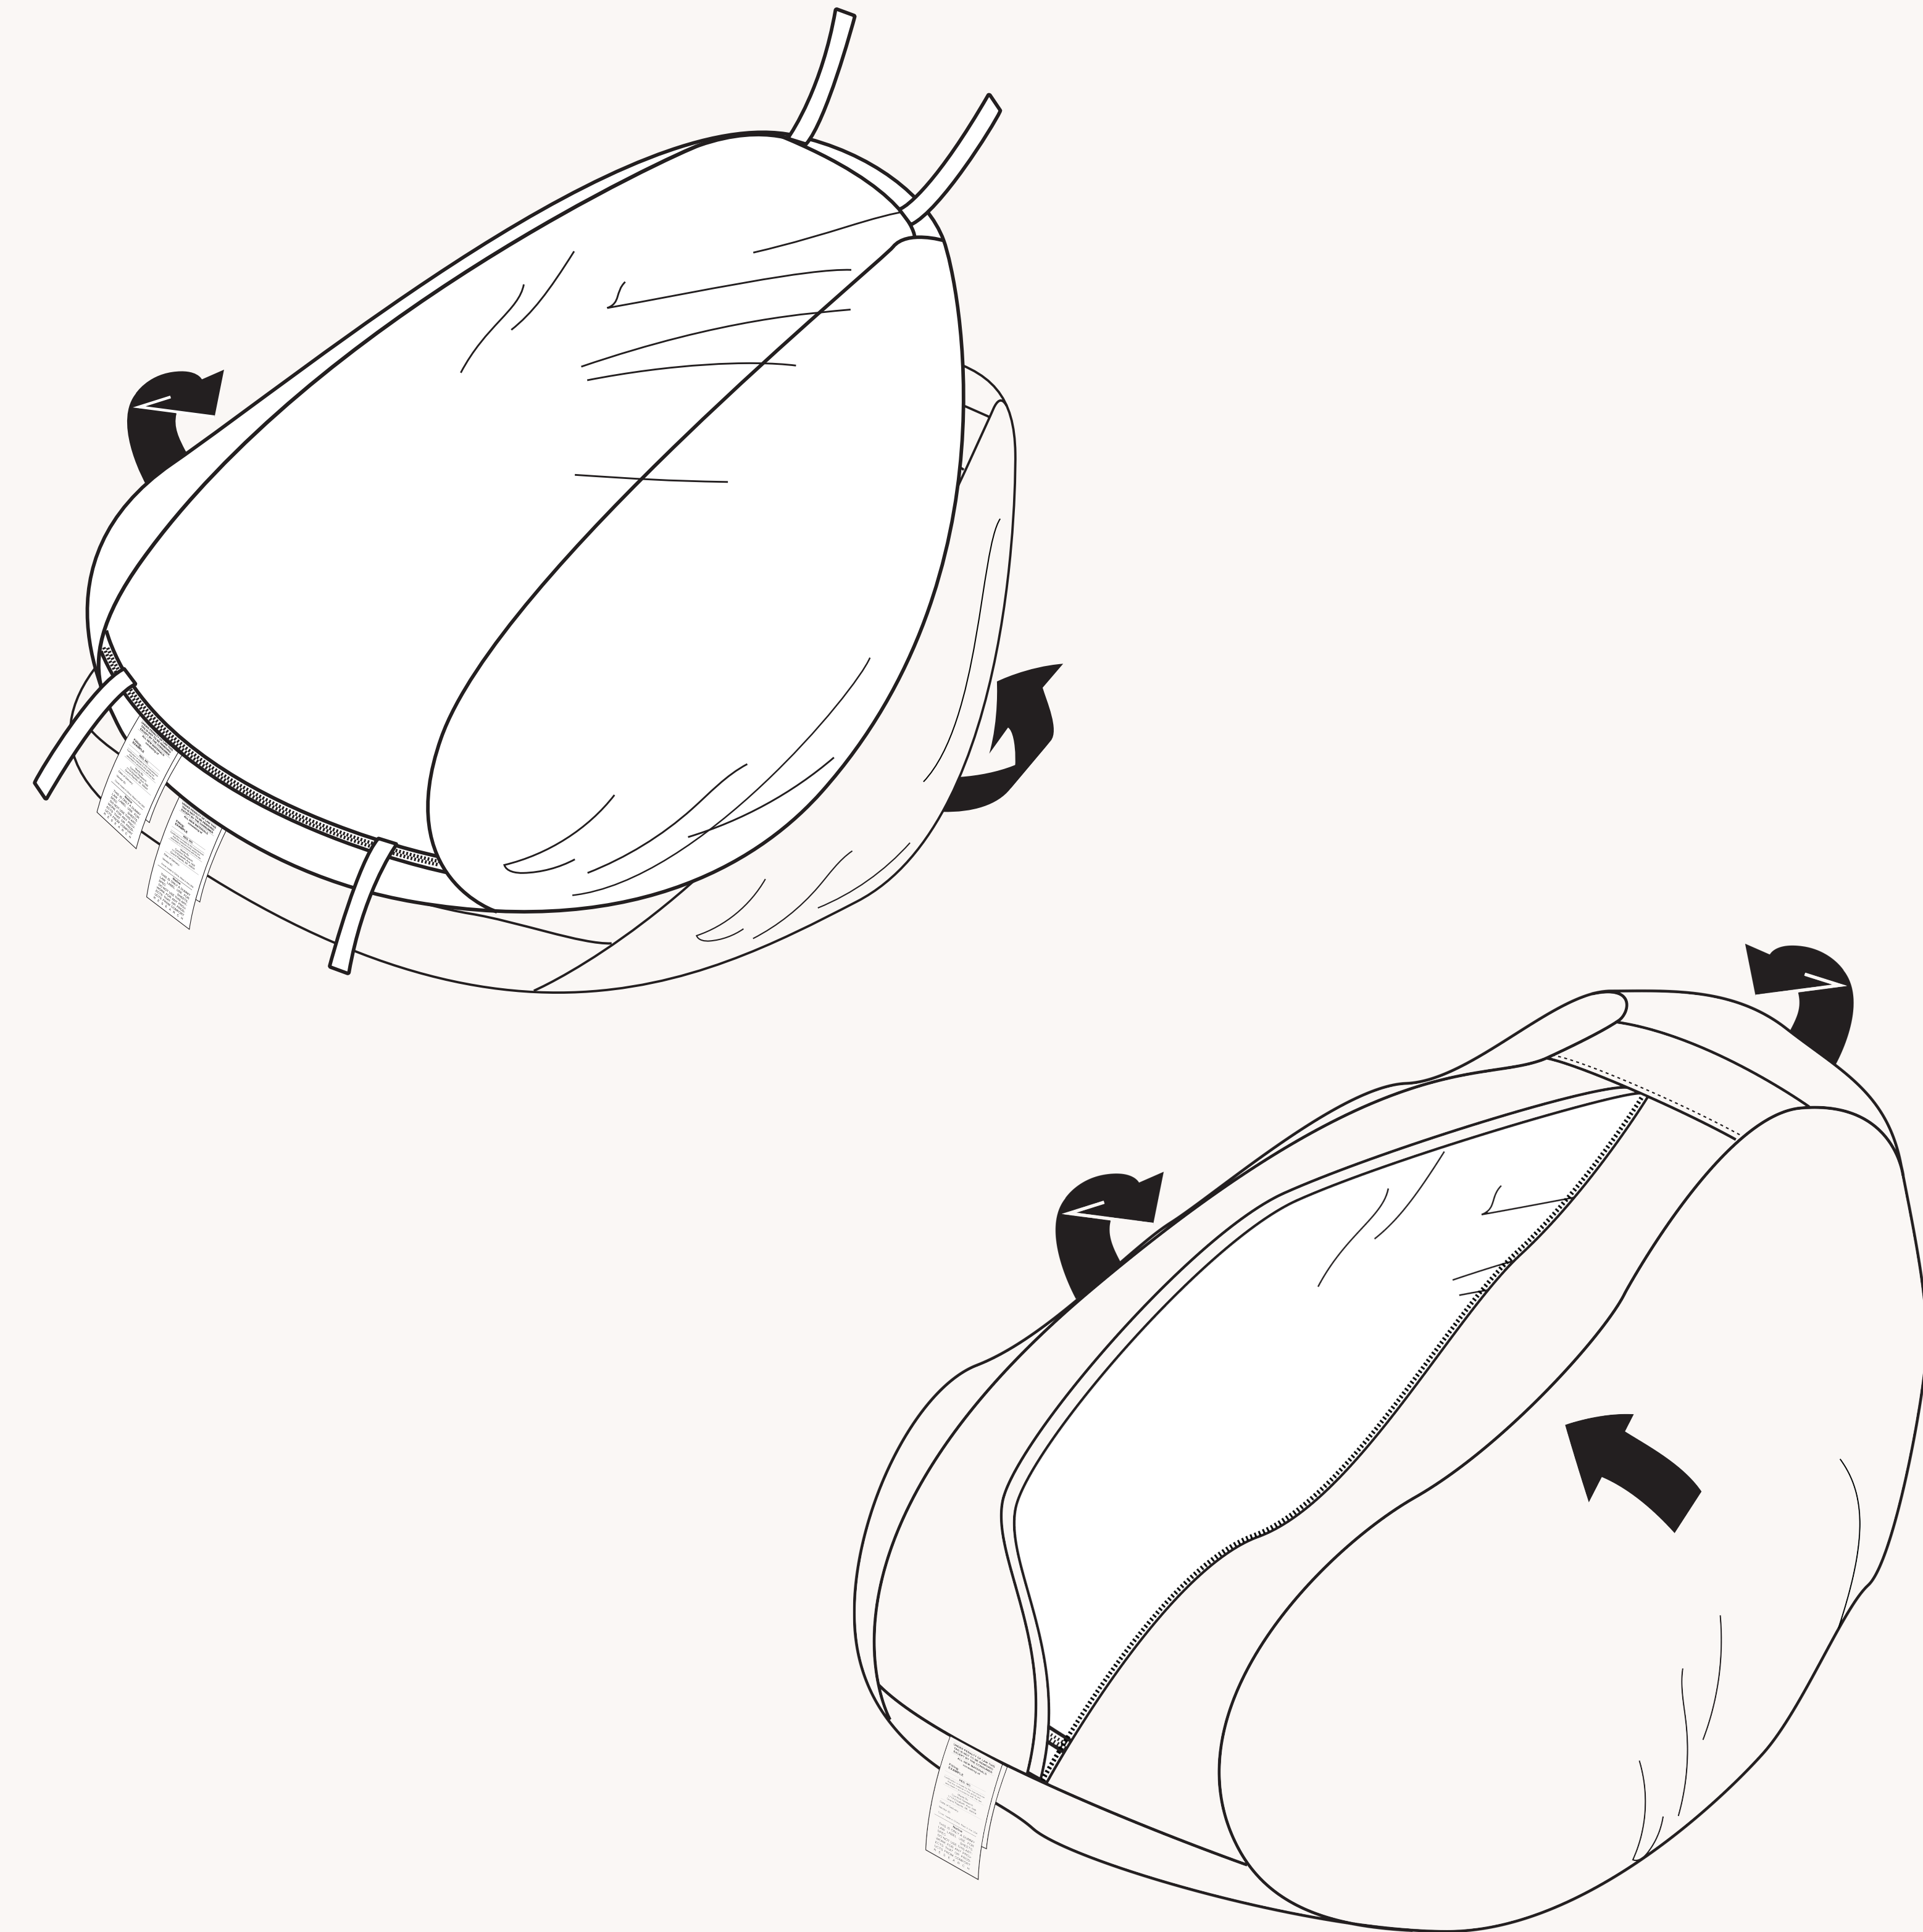

Step: 1 of 5

- A.** Lay the opened cover flat on the ground with zipper opening **facing up** (this is the back side of the cover), the law label tag will be on the bottom.
- B.** Lay insert on top of the cover with the backside facing up (where the law label is). See that both the law label tags on the cover and on the insert are facing the bottom.

Step: 2 of 5

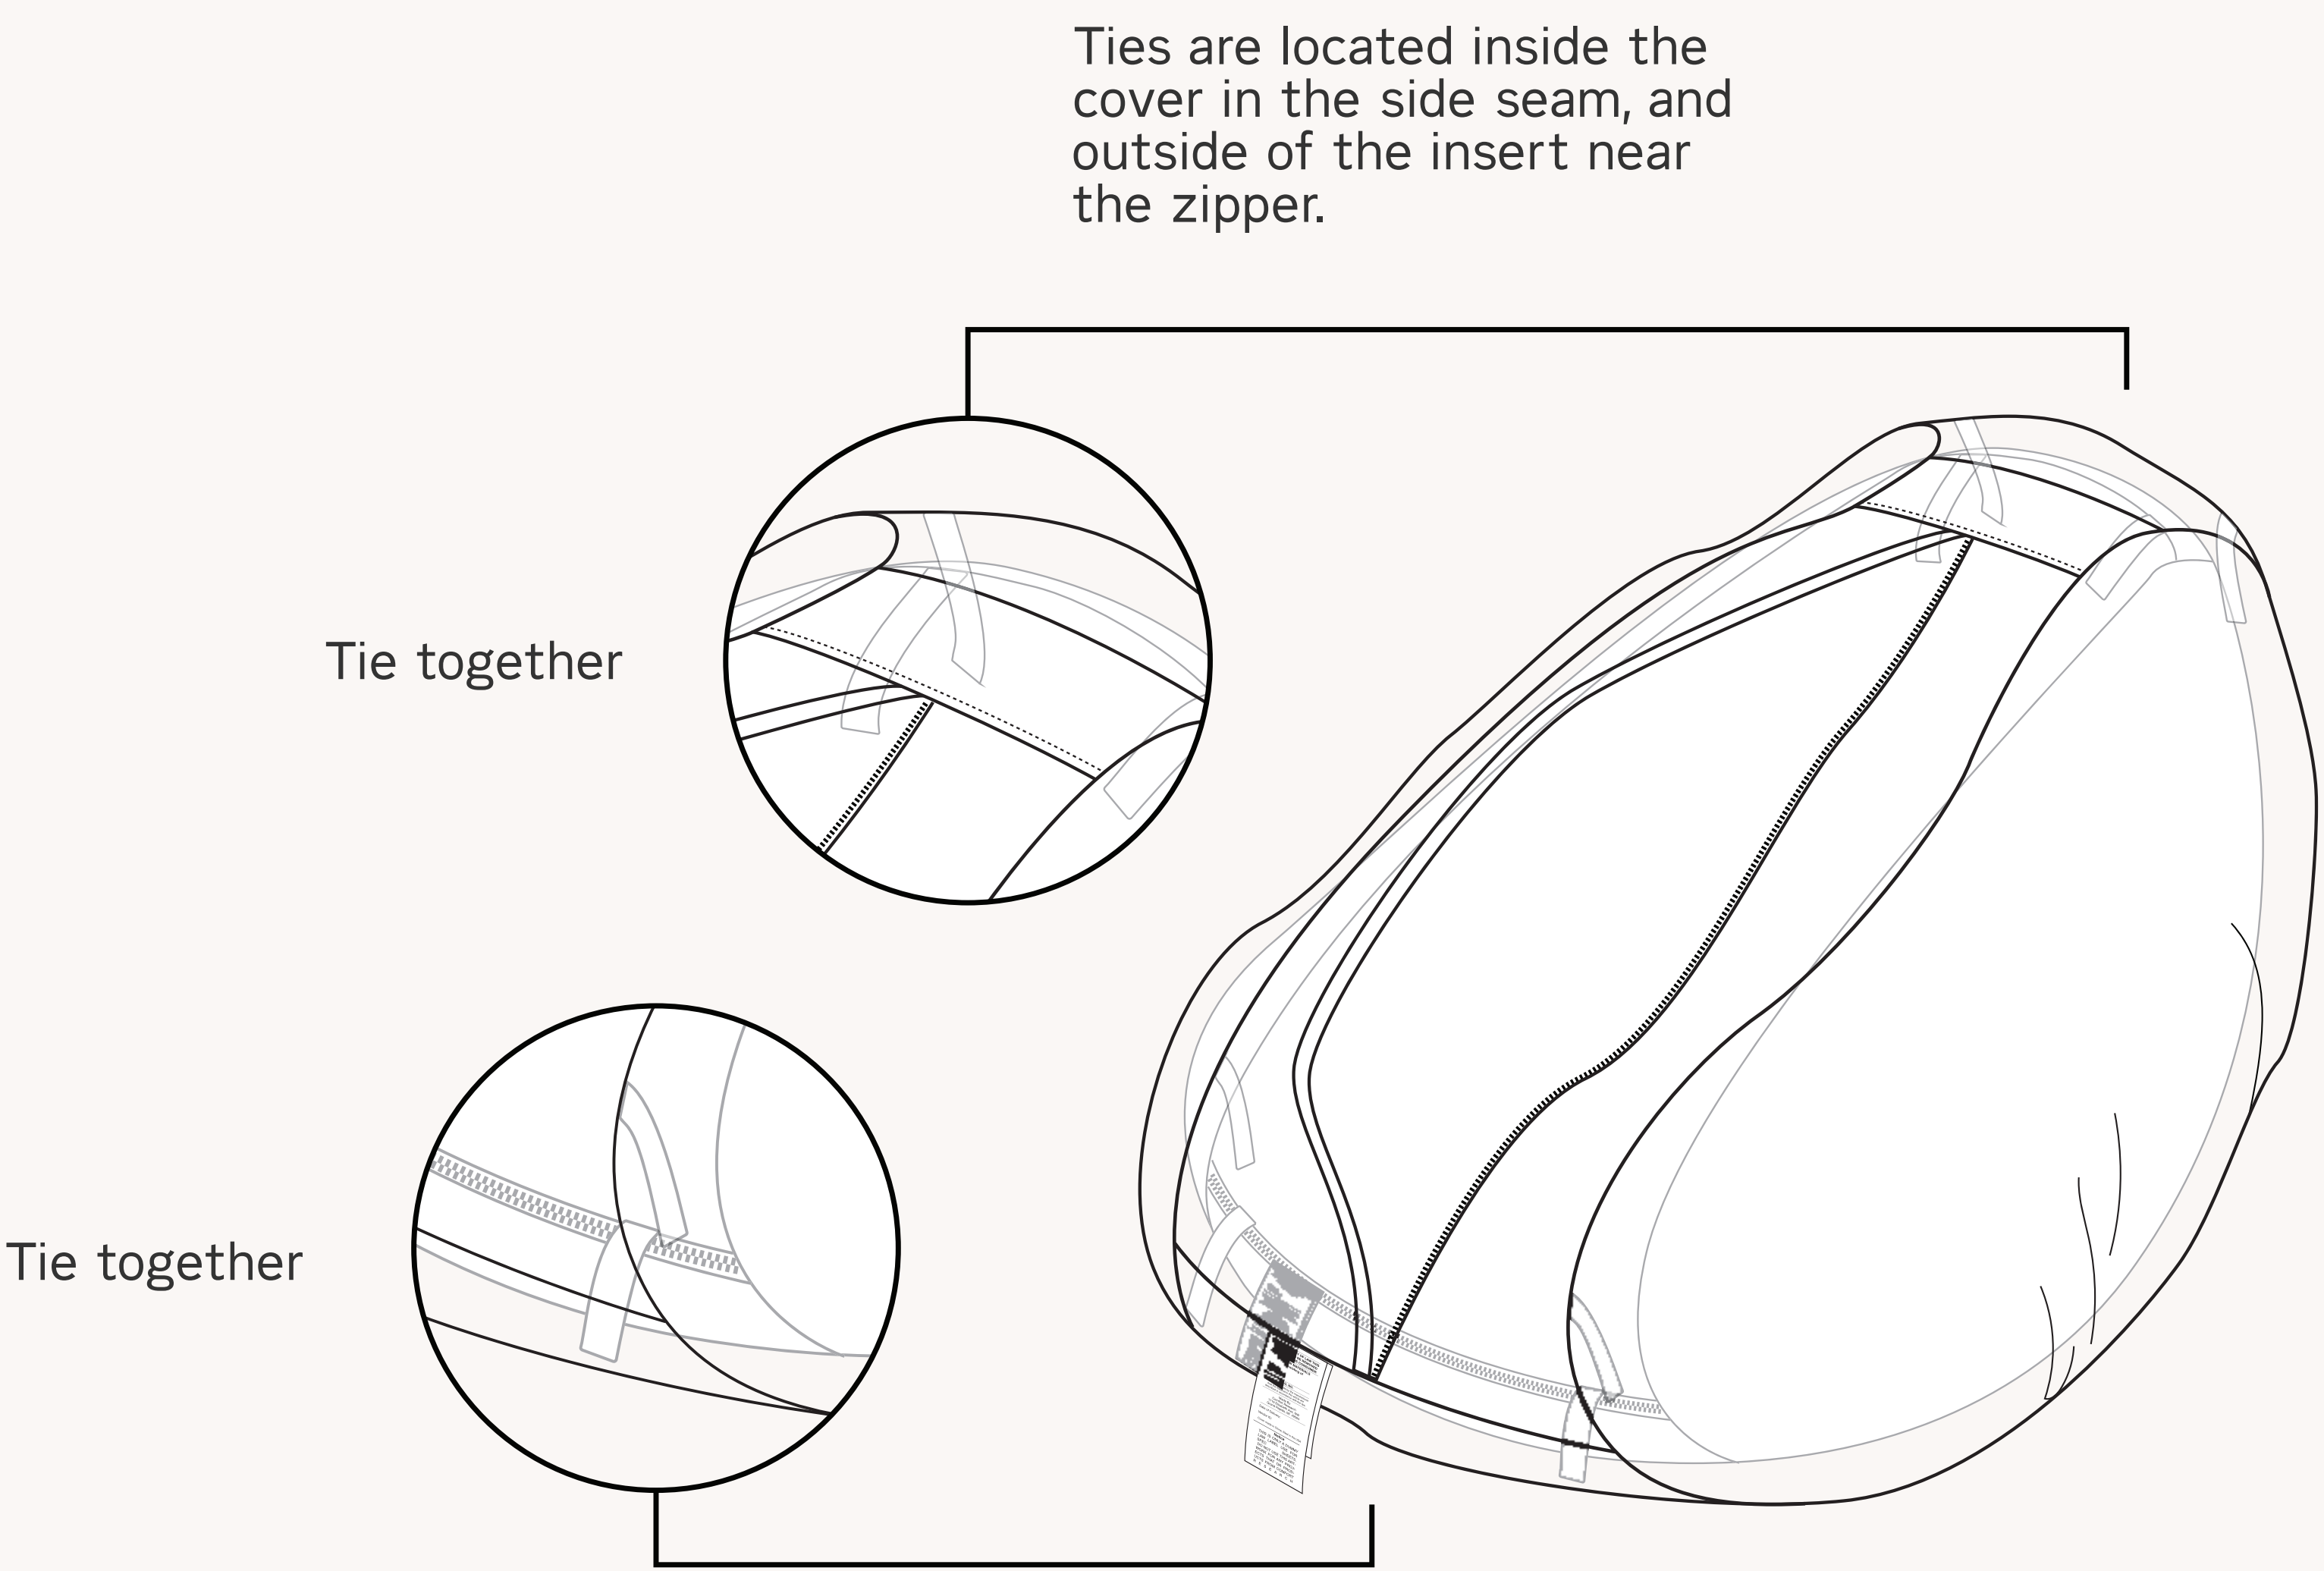

- A.** Wrap the top of the fabric cover around the top of the insert.
- B.** Start at the top where the cover's handle is and work your way down, wrapping the cover over the insert.

Step: 3 of 5

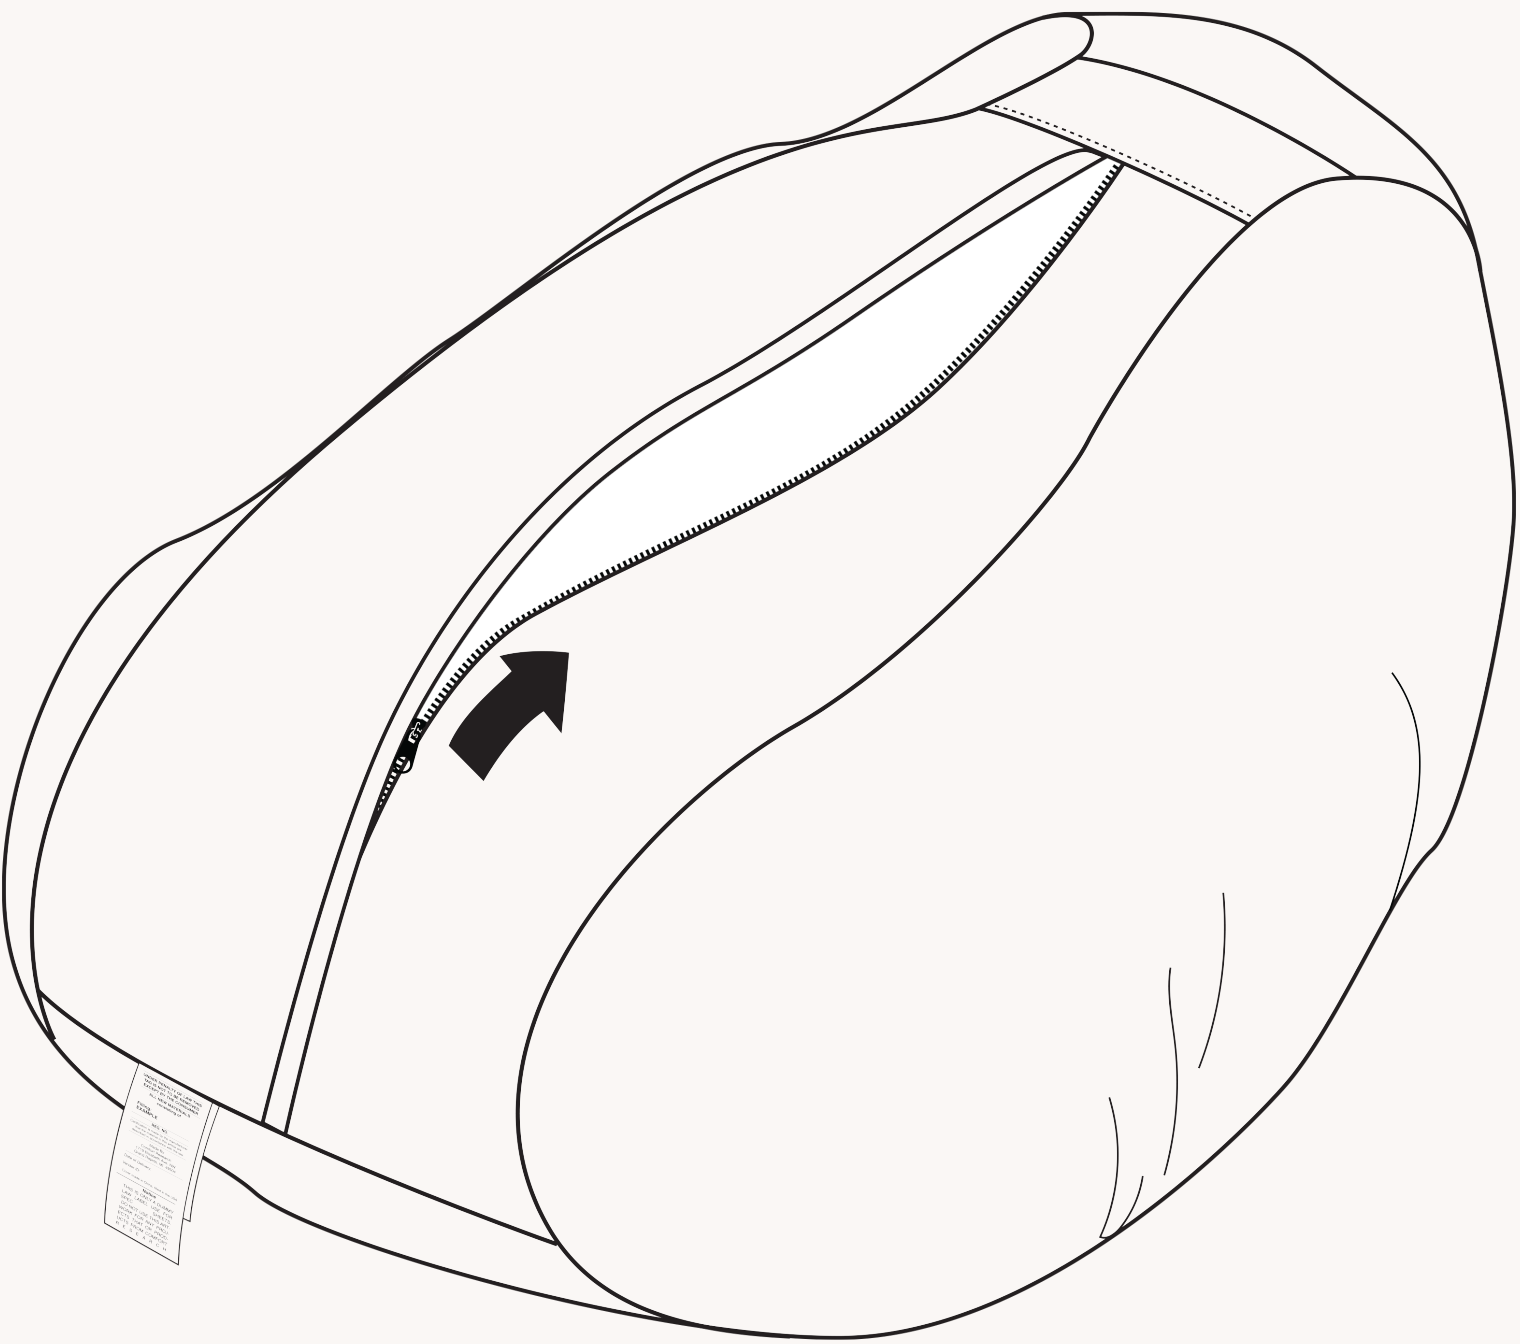

Once the cover is around the insert, tie the ribbons on inside of the cover to the ribbons on the insert (near the zipper). There are ribbons at the top and bottom, making four places to tie together.

The ribbon ties help keep the cover in place so that it does not shift significantly during use.

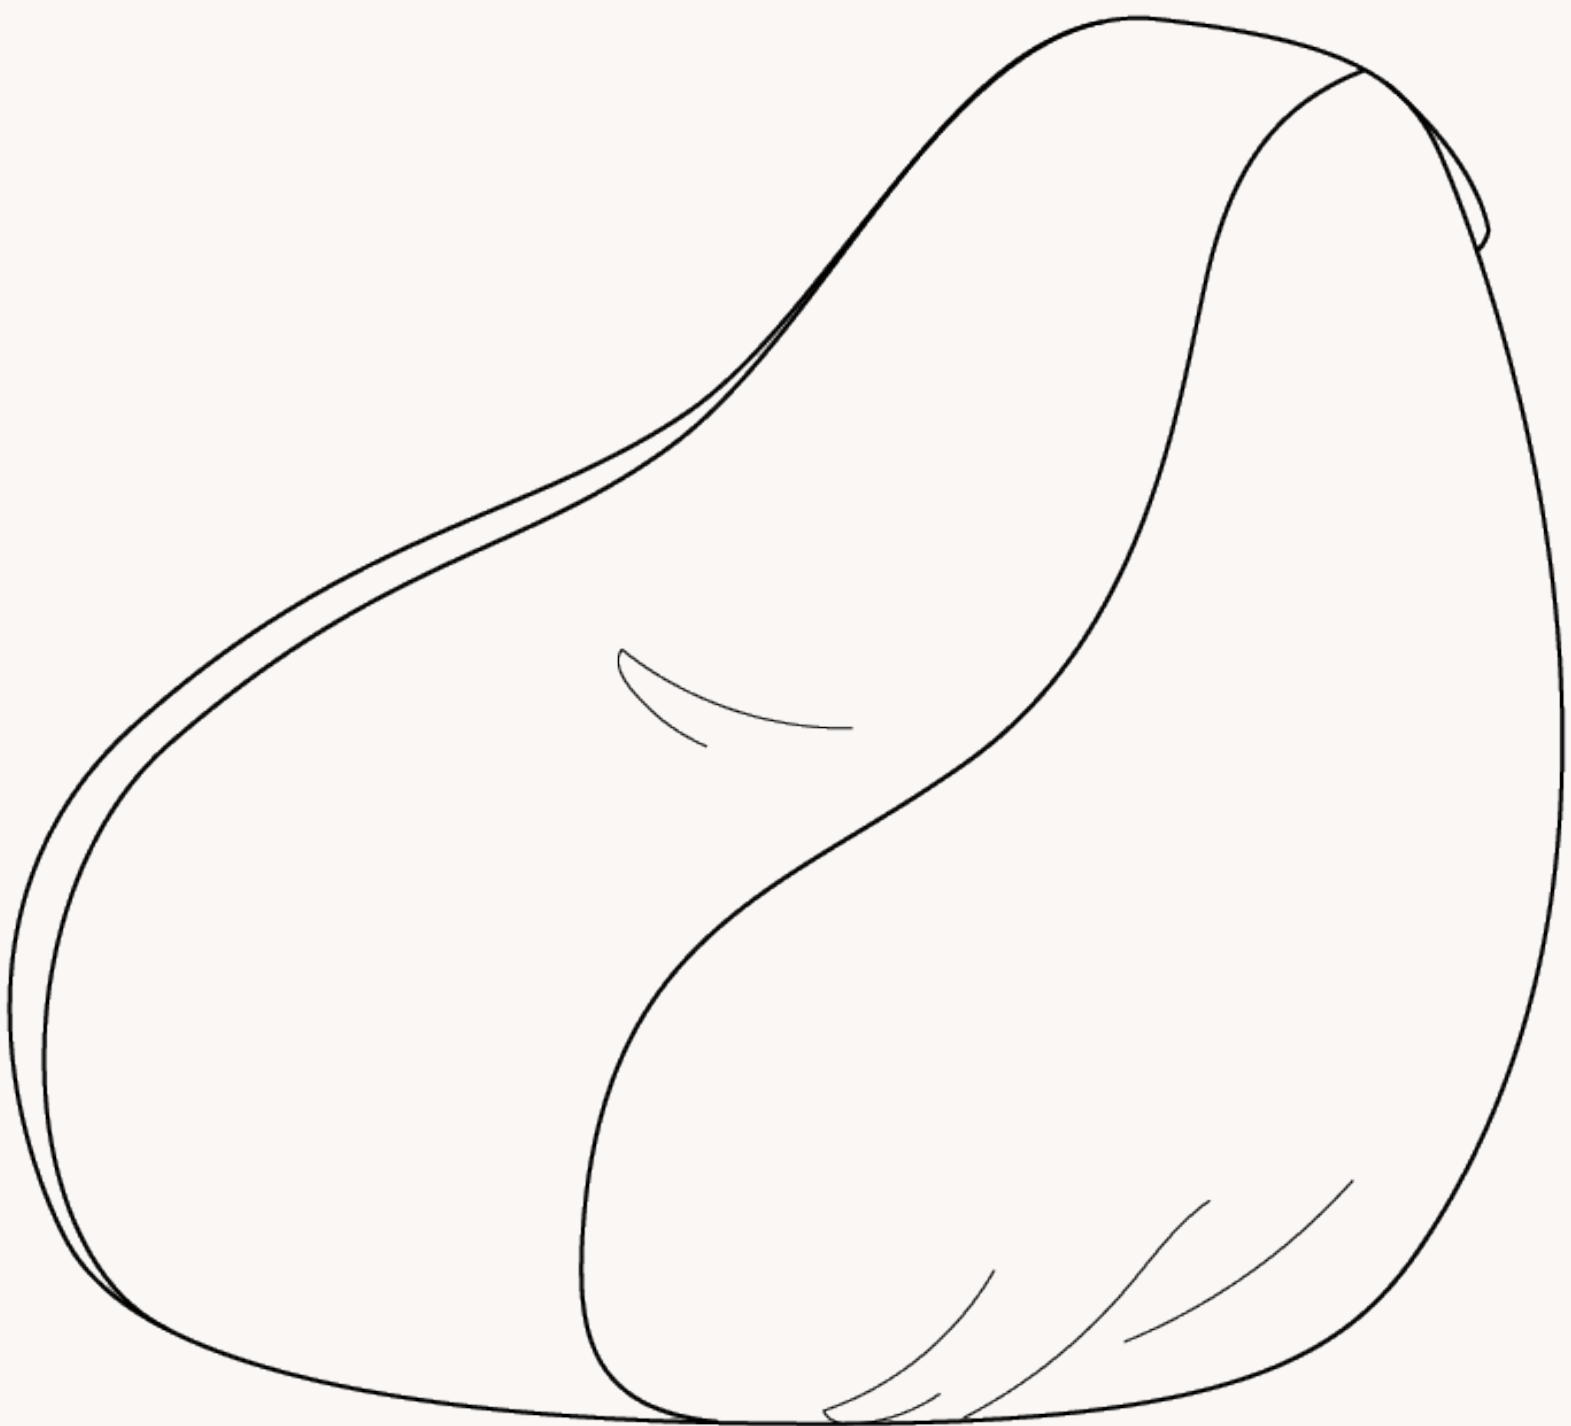

Step: 4 of 5

Zip up the cover! The zipper will go all the way under the handle pocket on top of the chair.

Step: 5 of 5

Flip the Squishy right side up and enjoy!
(Pro-tip: Gently shaking the chair back and forth can help the pillow to expand more evenly into the cover for an even better sit.)

WARNING ⚠

READ ALL INSTRUCTIONS **BEFORE** ASSEMBLY & USE. ADULT ASSEMBLY REQUIRED. KEEP SMALL PARTS AND PACKAGING AWAY FROM CHILDREN.

NOTES ON USE:

Keep children and others safe by following these simple rules:

Do not allow any child to play on furniture
Do not leave insert or cover open
Children can crawl inside and suffocate
Children can suffocate in the filling inside this product, the insert should only be opened to replace the filling.

ASSEMBLY:

Do not change the specifications or modify this product. Incorrect assembly can cause this product to fail and cause personal injury.

USAGE:

This product’s insert has a safety-locking zipper head to prevent access by young children. Use a paperclip or safety pin to open zipper.

CARE:

Insert fabric: Spot clean only.
Removable fabric cover: Unzip and remove cover. Brush off loose dirt and wipe with a damp cloth using soap and water or use proprietary upholstery shampoo. For deeper cleaning use steam, bleach, alcohol, or professionally dry clean.
Can be washed at 140 F.
Do not tumble dry — risk of shrinkage, hang to dry.
